ADDRESS OF PRESIDENT DR. S.S.TAK TO 44th GENERAL BODY MEETING HELD ON 19th Sept. 2021

Dear Members

I welcome you all on behalf of all office bearers and on my own behalf to 44th General Body meeting. First of all, on behalf of all office bearers, will like to thank from the Core of Our Hearts, the Alumni at large and members of Alumni Association for extending such a overwhelming support to us during last two years. What ever has been achieved in last two years is because of this hole Hearted support. I hope we have lived upto the Expectations of the Alumni.

As you know, the Present Executive Committee had taken over the charge in August 2019.

In addition to normal work of the Association, the Executive Committee had set for itself, three specific goals:

1. To strive for a more Effective and Efficient Administrative Structure for MBM Engineering College, being prerequisite for restoring old glory of MBM.
2. To restart Girls Hostel Project and make the Hostel operational .
3. To develop a network platform to connect maximum possible Alumni all over the world.

I will like to give you in brief the efforts made and the extent to which we could achieve these goals.

For effective and efficient Administrative structure for MBM, as has been informed in the earlier meeting we could convince the Hon. Chief Minister Shri Ashok ji Gehlot to grant University Status to MBM. He very kindly agreed to our request. The present status is that, the Council of Ministers had approved the Bill " MBM UNIVERSITY ACT 2021" and the Bill has been placed on the table of Assembly during budget session. However due to Second Wave of COVID19 the Assembly was adjourned abruptly and Bill could not be taken up by the Assembly . We are sure that " MBM UNIVERSITY ACT.2021 " will be approved in the Next Session of Assembly.

But for Covid 19, MBM would have become University by now. In the changed circumstances , we hope our this dream will become a reality by September/ October 2021 .

For Girls Hostel, it was decided that Our Priority should be to make our huge investment productive by completing at LEAST TWO FLOORS as early as possible.

I am extremely happy to inform that by the Grace of God, Blessings of our Teachers and all out Generous contribution by Alumni we have COMPLETED ALL THE THREE FLOORS.

NOT ONLY THAT WE HAVE REPLENISHED THE CORPUS FUND FROM WHICH a SUM of MORE THAN Rs. 1 CRORE was drawn for this purpose in the past.

This is the result of efficient, transparent and economical handling of the Project by our Building Committee Headed by Er Jai Singh Choudary. Our heartfelt Appreciation for All the members of Building Committee.

In short upto 31st March 21 a sum of Rs 6.5 Crores has been spent on Girls Hostel, of which Rs 2.00 Crores were contributed by Shree Cement, of the remaining Rs 4.5 Crores, Rs 3.5 Crores have been contributed by the Alumni during tenure of present Executive Committee, that too upto 31st March 21. After March Association has further received Rs 50 lakh making a total of Rs 4.0 Crores only under this head during last two years.

WE SALUTE ALL THE GENEROUS CONTRIBUTORS in General and in Particular ,Prof. R . R. Tatia & family (Mrs. Shashi, Anand and Gaurav Tatia) contributing Rs.40 lakh, , Er Suresh Modi & family of Metalizing Equipment contributing Rs.31 lakh, Er Harendra Singh of H. G.
